SOFITEL ROME

Villa Borghese

The five stars boutique hotel Sofitel Rome Villa Borghese is a Roman retreat, fusing La Dolce Vita heritage with modern French Art De Vivre. The extensive renovation, lead by Jean Philippe Nuel, emphasises the dialogue between heritage and modernism, classicism and design.

CENTRAL AND QUIET LOCATION | MODERN DESIGN

“Our project is creating a dialogue between the French Elegance composed of Classicism details and Refinement & the Italian Baroque full of Opulence and Generosity. It is also a dialogue between Heritage & Modernity, White & Luminous Colours, City & Garden.”
